CU Denver Political Science Department Fall Mixer

Faculty, Graduate Students, Majors, Minors & Friends

We hope you can join this fun fall mixer for faculty and students to talk together, where you can catch up with department friends, and where we can all talk politics, presidents, popes, and maybe Putin! Come along with a friend, and enjoy an evening salon of cuisine, libation, music and discussion with profs and students. Maybe even encounter a few deep thinkers, and go home the better for it. It could happen.

Where: 3008 South Grape Way (Professor Tony Robinson's House)

When: Friday, October 9th, 6:30 pm till.....
